PRESCHOOL CHILD CARE REGISTRATION

Our licensed, state-of-the-art child care facility is now taking registrations for the 2017/2018 school year. Riverside Youth Enrichment Center was established to enhance physical and intellectual development in preschool age children. Teachers use a combination of child-initiated and teacher-directed activities to promote curiosity and learning through fun-filled activities. Our program helps children learn how to use their developing language, thinking and motor skills. Staff have specialized training in Early Childhood Development. With our low child-to-teacher ratio and our modern facility and playgrounds, we provide the background for an entertaining and educational opportunity for preschool children.

Program options vary by age. Two-, three- and five-day options are available, as well as half-day options. Please visit our website at www.pbgreg.com/ryec or call 561.630.1130 for additional information or to schedule a tour of our facility, Monday – Friday between 9:00am-3:30pm. License # 50-51-03149
