Oak Tree at Gardens Park

Plant-A-Tree Program

(step by step process)

1. Phone the Parks Office at 804-7036
2. Select a park site:
3. Select a species of tree
 - Live Oak
 - Red Maple
 - Crape Myrtle
4. Signage: No more than 15 letters per line. Three line maximum.
5. Pay the established fee of \$125.00.
6. Anticipate 15 working days for completion.
7. Trees cannot be decorated or memorialized in any manner except for standard signage.

Plant-A-Tree Program Intent:

- Provide an opportunity for residents to plant trees in their local parks.
- Supplement their local parks with native trees.
- Establish community pride.

Native Trees

The Program will only utilize trees native to Florida and intended to grow successfully in our South Florida environment.

The following have been selected:

1. Live Oak—this tree is the most popular tree in our community due to its size, longevity, shade and sheer magnificence.
2. Crape Myrtle—a medium-sized tree (20'-30') that produces yellow and red colors in the fall. Can be utilized as a tree or shrub.
3. Red Maple—a tall, stately tree (75') that produces a rich red color in the fall and winter.
