Chapter 119, Florida Statutes, the Public Records Law, requires that all material submitted in connection with a Bid response shall be deemed to be public record subject to public inspection upon award, recommendation for award, or thirty (30) days after Bid opening, whichever occurs first. Certain exemptions to public disclosure are statutorily provided for in Section 119.07, Florida Statutes. If the Bidder believes any of the information contained in his/her/its Bid is considered confidential and/or proprietary, inclusive of trade secrets as defined in Section 812.081, Florida Statutes, and is exempt from the Public Records Law, then the Bidder, must in its response, specifically identify the material which is deemed to be exempt and state the legal authority for the exemption. All materials that qualify for exemption from Chapter 119, Florida Statutes or other applicable law must be submitted in a separate envelope, clearly identified as "EXEMPT FROM PUBLIC DISCLOSURE" with the firm's name and the Bid number clearly marked on the outside. The City will not accept Bids when the entire Bid is labeled as exempt from disclosure. The City's determination of whether an exemption applies shall be final, and the Bidder agrees to defend, indemnify, and hold harmless the City and the City's officers, employees, and agents, against any loss or damages incurred by any person or entity as a result of the City's treatment of records as public records.

The awarded Bidder(s) shall keep and maintain public records and fully comply with the requirements set forth at Section 119.0701, Florida Statutes, as applicable; failure to do so shall constitute a material breach of any and all agreements awarded pursuant to this Solicitation.

- 1.51 **CONFLICTS OF INTEREST**
All Bidders must disclose with their Bid the name of any officer, director, or agent who is also an employee of the City of Palm Beach Gardens. Further, all Bidders must disclose the name of any City employee who has any interest, financial or otherwise, direct or indirect, of five percent (5%) or more in the Bidders' firm or any of its branches. Failure to disclose any such affiliation will result in disqualification of the Bidder from this Invitation to Bid and may be grounds for further disqualification from participating in any future Bids with the City.
- 1.52 **PUBLIC ENTITY CRIMES**
As provided in Section 287.133(2) (a), Florida Statutes, a person or affiliate who has been placed on the convicted vendors list following a conviction for a public entity crime may not submit a Bid on a contract to provide any goods or services to a public entity; may not submit a Bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit Bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity.

- 1.54 **COMPLETION OF WORK AND DELIVERY**
All work shall be performed and all deliveries made in accordance with good commercial practice. The work schedule and completion dates shall be adhered to by the awarded Bidder(s), except in such cases where the completion date will be delayed due to acts of nature, force majeure, strikes, or other causes beyond the control of the awarded Bidder. In these cases, the awarded Bidder shall notify the City of the delays in advance of the original completion so that a revised delivery schedule can be appropriately considered by the City.
- 1.55 **FAILURE TO DELIVER OR COMPLETE WORK**
Should the awarded Bidder(s) fail to deliver or complete the work within the time stated in the contract, it is hereby agreed and understood that the City reserves the authority to cancel the contract with the awarded Bidder and secure the services of another vendor to purchase the items or complete the work. If the City exercises this authority, the City shall be responsible for reimbursing the awarded Bidder for work that was completed, and items delivered and accepted by the City in accordance with the contract specifications. The City may, at its option, demand payment from the awarded Bidder, through an invoice or credit memo, for any additional costs over and beyond the original contract price which were incurred by the City as a result of having to secure the services of another vendor.
- 1.56 **CORRECTING DEFECTS**
The awarded Bidder shall be responsible for promptly correcting any deficiency, at no cost to the City, within three (3) calendar days after the City notifies the awarded Bidder of such deficiency in writing. If the awarded Bidder fails to correct the defect, the City may (a) place the awarded Bidder in default of its contract; and/or (b) procure the products or services from another source and charge the awarded Bidder for any additional costs that are incurred by the City for this work or items, either through a credit memorandum or through invoicing.
- 1.57 **ACCIDENT PREVENTION AND BARRICADES**
Precautions shall be exercised at all times for the protection of persons and property. All awarded Bidders performing services or delivering goods under this contract shall conform to all relevant OSHA, State, and County regulations during the course of such effort. Any fines levied by the above-mentioned authorities for failure to comply with these requirements shall be borne solely by the awarded Bidder. Barricades shall be provided by the awarded Bidder when work is performed in areas traversed by persons, or when deemed necessary by the City.
- 1.58 **OMISSIONS IN SPECIFICATIONS**
The specifications and/or statement of work contained within this Solicitation describe the various functions and classes of work required as necessary for the completion of the project. Any omissions of inherent technical functions or classes of work within the specifications and/or statement of work shall not relieve the Bidder from furnishing, installing, or performing such work where required to the satisfactory completion of the project.
- 1.59 **MATERIALS SHALL BE NEW AND WARRANTED AGAINST DEFECTS**
The awarded Bidder hereby acknowledges and agrees that all materials, except where recycled content is specifically requested, supplied by the awarded Bidder in conjunction with this Solicitation and resultant contract shall be new, warranted for their merchantability, and fit for a particular purpose. In the event any of the materials supplied to the City by the awarded Bidder are found to be defective or do not conform to specifications, (1) the materials may be returned to the awarded Bidder at the Bidder's expense and the contract cancelled; or (2) the City may require the awarded Bidder to replace the materials at the Bidder's expense.
- 1.60 **TOXIC SUBSTANCES/FEDERAL "RIGHT TO KNOW" REGULATIONS**
The Federal "Right to Know" Regulation implemented by the Occupational Safety and Health Administration (OSHA) requires employers to inform their employees of any toxic substances to which they may be exposed in the workplace, and to provide training in safe handling practices and emergency procedures. It also requires notification to local fire departments of the location and characteristics of all toxic substances regularly present in the workplace.

Accordingly, the awarded Bidder(s) performing under this contract are required to provide two (2) complete sets of Material Safety Data Sheets to each City department utilizing the any awarded products that are subject to these regulations. - d. The non-performing party uses its best efforts to remedy its inability to perform.

Notwithstanding the above, performance shall not be excused under this section for a period in excess of two (2) months, provided that in extenuating circumstances, the City may excuse performance for a longer term. Economic hardship of the awarded Bidder shall not constitute a force majeure. The term of the contract shall be extended by a period equal to that during which either party's performance is suspended under this section.

The City of Palm Beach Gardens is exempt from Federal and State taxes for tangible personal property.

1.62 BIDDER'S COSTS

Notices shall be effective when received at the addresses specified in the contract/agreement. Changes in respective addresses to which such notices are to be directed may be made from time to time by either party by written notice to the other party. The original of the notice must also be mailed to the receiving party.

1.64 FORCE MAJEURE

The City and the awarded Bidder are excused from the performance of their respective obligations under the contract when and to the extent that their performance is delayed or prevented by any circumstances beyond their control, including fire, flood, explosion, strikes or other labor disputes, natural disasters, public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance provided that:

Nothing contained in this section shall be construed to restrict the transmission of routine communications between representatives of the successful Proposer and the City of Palm Beach Gardens.

The Contract shall commence on the date of the duly executed Agreement, and shall remain in effect for five (5) years; contingent upon the completion and submittal of all required Bid documents. The Contract shall expire on the last day of the last month of the five (5)-year Contract Term.

2.5 OPTIONS TO RENEW: FIVE (5) ADDITIONAL YEARS

The initial Contract Term shall prevail for five (5) years from the Contract's initial effective date. Prior to, or upon completion, of that initial Term, the City shall have the option to renew this Contract for an additional five (5) years.

Continuation of the Contract beyond the initial period, and any option subsequently exercised, is a City prerogative, and not a right of the awarded Bidders. This prerogative will be exercised only when such continuation is in the best interest of the City as determined by the City at the City's sole discretion.

Should the awarded Bidder(s) decline the City's right to exercise the option period, the City may consider the awarded Bidder(s) in default, which decision may affect that Bidder's eligibility for future contracts with the City.

2.6 METHOD OF AWARD: MULTIPLE VENDORS BY ITEM

Award(s) will be made to the lowest priced responsive, responsible Bidders on an Item-by-Item basis.

While the Method of Award prescribes the method for determining the lowest responsive, responsible Bidders, the City will award this contract to the designated lowest Bidder as the Primary awarded Bidder, for each Item, and will award this contract to the designated second lowest Bidder as the Secondary awarded Bidder respectively.

The Primary awarded Bidder shall have the primary responsibility/opportunity to initially perform the service or deliver the goods identified in the Contract. If the Primary awarded Bidder fails to perform it may be terminated for default and the City shall have the option to seek the identified goods or services from the Secondary awarded Bidder. The City may also make award to the third lowest Bidder as the Tertiary awarded Bidder.

Award to multiple Bidders is made for the convenience of the City and does not exempt the Primary awarded Bidder from fulfilling its contractual obligations. Failure of any awarded Bidder to perform in accordance with the terms and conditions of the Contract may result in the awarded Bidder being deemed in breach of Contract. The City may terminate the Contract for default and charge the awarded Bidder re-procurement costs, if applicable.

2.7 PRICES SHALL BE FIXED AND FIRM

If a Bidder is awarded a Contract under this Solicitation, the prices offered by the Bidder shall remain fixed and firm during the Contract Term, except for any price adjustments that may be allowed elsewhere in this Contract.

2.8 PRICE ADJUSTMENTS BASED ON GOVERNMENTAL PRICE INDEX

Upon completion of the initial Contract Term, the City may consider an adjustment to prices based on the most recent annual change reported in the following pricing index:

Consumer Price Index, All Goods and Services, All Items, Miami-Fort Lauderdale Area

It is the awarded Bidder's responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of the new Contract Term, the awarded Bidder's request for adjustment should be submitted at least thirty (30) days prior to expiration of the current Contract Term. The adjustment requested shall not be in excess of the relevant pricing index change. If a timely adjustment request is not received from the awarded Bidder, the City may exercise its Option to Renew the Contract for another Term without any pricing adjustment. Any adjustment request received after the commencement of a new Contract Term will not be considered.

The City reserves the right to negotiate lower pricing for the new Contract Term based on market research information or other factors that influence price. The City reserves the right to apply any reduction in pricing for the new Contract Term, based on the downward movement of the applicable index.

The City reserves the right to reject any price adjustments requested by the awarded Bidder and/or to not exercise the Option to Renew based on such price adjustments.

Also for product information submittals, all supporting documentation submitted by the Bidder must in total meet the required specifications set forth in this Solicitation. Where the standard product literature submitted with the offer provides information that does not comply with the specifications, the Bidder shall state, in an official letter on corporate letterhead as part of their initial offer, the differences between the item it is offering, and the item described by the standard product literature, to substantiate compliance to all of the specifications set forth in this Solicitation. In such cases, any offer submitted with standard product literature but without the letter explaining compliance will result in the rejection of the offer for not meeting the Solicitation specifications.

If samples of all "or equal" items Bid are required for evaluation, such items are to be provided at no cost to the City, and should be submitted with the initial offer, or at the time of specific request. Failure to meet this requirement may result in your offer being rejected.

For "equal" products to be evaluated based on submission of product labels, the initial offer should be accompanied with labels indicating the specifications for each "equal" item offered. Failure to meet this requirement may result in your offer being rejected.

First Failure: \$50
Second Failure: \$100
Third Failure: \$200 per occurrence; and the same amount for any subsequent occurrences.
