◆ Ways you can help ◆

PARENTS

◆ Parent Partner Program

This is a perfect way to support our preschool program from behind the scene. For \$25.00/year you can significantly help to off-set the cost of supplies, materials and snacks that are needed in each classroom.

BUSINESS

◆ Friend of the Library

Are you a business that believes in the benefits children derive from learning to read in early childhood programs? The benefits are endless! This is a great opportunity for a business to have naming rights of our preschool library for up to one year.

◆ Monthly Snack Sponsor

Healthy snacks are an important part of daily nutrition for preschoolers. Healthy snacks also promote good eating habits. Cash and in-kind donations are gladly accepted.
