

Knight Watch Program

Police Officers patrolling the midnight hours will select random businesses throughout their tour of duty to complete a more in depth inspection of the closed business. Officers will leave behind a "Knight Watch" card indicating crime prevention tips for the business owner to review upon opening. Sponsoring businesses' logo will be printed on the Knight Watch card.

Businesses interested in sponsoring this program are welcome to contact the Community Involvement Unit at 561.799.4565.
