The City of Palm Beach Gardens invites those who may be interested in a remembrance of someone or an event in their life for a donation of an item listed here. Selected pieces of equipment would be available and supplied with appropriate signage of your donation. In addition, your donation will be well maintained and serve the purpose intended.

Please understand the following:

- Once donated the item becomes the property of the City.
- Donated items may not be able to be placed in certain parks or facilities.
- Equipment will include or be installed with all appropriate safety requirements.
- There will be no refunds.
- The donation cannot be used for purposes other than it was intended and within the scope of City regulations.
