TITLE: Construction of Par 3 Golf Clubhouse at Sandhill Crane Golf Club

This Addendum is and does become a part of the above-mentioned Solicitation.

The following questions were received from a potential bidder, and the responses are provided as shown.

Question 1: Is the net system shown on A107 by GC or City contracted vendor? If it is by GC can you please provide a spec and basis of design?

Response: The net system is to be designed and installed by the contractor. The basis for the design is a custom net system by NC Netting Contractor. Please contact Daniel Gehman at NC Netting Contractor at 281.850.6793 for details and specifications.

Question 2: Bid docs say sound system is by City. A104 indicates it is by GC using city referred vendor. Are we to include cost for the sounds system in our base bid or will the City handle that directly?

Response: The sound system will be furnished and installed by the City. The contractor is to install the conduit.
