This Addendum is and does become a part of the above-mentioned Solicitation.

The following question was received from a potential proposer and the response is provided as shown below.

Question: Regarding 3 Client References. The RFP states these are to be Letters of Recommendation? Can we simply provide contact information for our 3 References? Trying to cut down on the asks to our clients if possible.

Response: *Providing a list of references is not acceptable. The City would like to see actual letters of references – even if the proposer only provides one letter.*

All other terms, covenants, and conditions of the subject solicitation and any addenda issued thereto shall apply, except to the extent herein amended.
